

URL : 172.16.8.18/CASTELSuite/

The image shows a login interface for CASTEL Suite. At the top center is the CASTEL logo, which consists of a stylized building silhouette above the word "CASTEL" and the tagline "COMMUNICATION ET SECURITE" below it. Below the logo are two input fields: the first is labeled "Identifiant" and the second is labeled "Mot de passe". To the right of the "Mot de passe" field is a dark blue button with the text "Connexion" in white. The entire interface is set against a background of a blue network mesh pattern.
